HATS & SHOES: LEVEL 1 THERAPIST NOTES

ACTIVITY

3. Shoe Match Up

PREPARATION

Print resource onto lightweight card. Print 2 pages on one so the cards are smaller. Cut up the cards and make 2 piles, putting one of each shoe in each pile.

You are going to play a picture matching game.

1. Spread one pile of the cards face up in rows on the table (for level 1 you may like to use only half the cards).
2. You start as the 'Talker.' Take a card from the other pile and talk about type of shoe (talk about what you might do when wearing this shoe).
3. Talk about what the shoe looks like.
4. The 'Listeners' then try and find the card you talked about and grab it before the other listeners.
